

Welcome to First Grade

Dear Family,

Welcome to a new year! The first grade year is an exciting and busy one. Watching each child develop into a good reader is a heart warming experience.

Students are supplied with many items at school, but we do ask that each student bring along the few things listed below. Please DO NOT have your child bring: stickers, toys, treats, medicine, three ring notebooks, or supply boxes. We apologize if you have already purchased any of these items, but encourage you to keep them at home for your child to enjoy.

We would appreciate you sending the following items to school with your child: (Please do not write your child's name on any of the items because we will be sharing)

1. one package of gluesticks (4-6)
2. two large boxes of tissues
3. two 70 page spiral notebooks (wide ruled preferred)
4. two 2-pocket folders
5. one highlighter
6. one large pink eraser

We are also looking for donations of Clorox wipes, thick crayola markers, and colored pencils.

***A backpack needs to be brought to school each day

(If you are able to send extra supplies, it will be much appreciated.)

We are looking forward to a very exciting and rewarding year! Please feel free to contact us with any questions or concerns.

Thank you,
The First Grade Teachers,
Stephanie Burson
Raquel Caldwell
Caroline Darling
