

Dear 6th Grade Students and Parents,

We are so glad to have you involved in our 6th Grade Program! The 6th Grade Teachers have put together a list of items that you may want to purchase for the upcoming year. We promise that this final year at Dundee will be adventurous, challenging, frustrating, happy, sad, and exciting! You will be called upon to grow your thinking skills, your organizational skills, your testing skills, and your social skills. We promise that you will grow as a student, friend, and person.

We believe that the list of items below can aid you with various projects and day-to-day assignments. Dundee will supply the essential items that you will need to be successful in school. Please make your decisions accordingly.

Things you may need:

Pens (assignments must be in either black or blue only)

Plenty of 2 Pocket Folders

Pencils (plenty of #2) (our 6th Graders have used or lost over 40 pencils in a year)

6 or more Boxes of Kleenex Tissues (to be shared with the class - we use plenty of Kleenex throughout the year)

10-15 Spiral Notebooks (to be used throughout the year)

Sharpie Markers (Black or Blue)

Markers (both thin and thick – you may want several packs as you use them very much throughout the year)

Colored Pencils

A Flash Drive or two for projects that are worked on between home and school

Water Bottle, which will not spill

- Please label your items if possible. Set aside some markers, folders, and notebooks at home for use throughout the year.
- You may want to begin saving money for field trips, treats, pens, pencils, project supplies, book orders, and much more.
- Each student is required to have an Assignment Notebook and Work Folder. These are purchased here at Dundee. We will send home further information at the beginning of the year.
- The 6th Grade Agenda is required to be used and reviewed daily by the students and parents.

We have assembled a list of items that are not to be brought to school:

Mini-Notebooks, Toys, Games, CD or DVD, MP3 Players, Ipods, Skateboards, Locks, Catalogs, Magazines, Trapper Keepers, and any other items that may be a distraction for the class.

***Cell Phones may be brought to school but must be turned off and kept in backpacks until dismissal time. Students may use their phone off school grounds.**

If you have any questions about this memo, please feel free to contact one of the 6th Grade Teachers at 554-8424. We look forward to your active and regular involvement with the upcoming 6th Grade School Year!
